### WIKI STIX ANIMALS

#### WHAT YOU NEED:

Wiki printable and Wiki Stix

#### WHAT YOU DO:

Have your child follow the examples to make animals with their Wiki Stix

#### WHAT YOU SAY:

As they create animals, ask them who made each one! That's right, God made the Earth and everything on it! Thank God for all the animals He made. God made a wonderful world and everything in it for us, but He gave us something even better.

Do you remember WHO is the best gift ever that God gave us? (Pause.)

"YES! Jesus! God gave us Jesus to be our friend forever! That's why when we ask, 'Who wants to be your friend forever?' you say, 'Jesus wants to be my friend forever!' Let's try it. Who wants to be your friend forever? Jesus wants to be my friend forever!"

### PRAYER

"Dear God, we want to tell You how amazing and powerful and creative and loving You are. Even though we can't see You, we know You are real because we see ALL the things You made, like (the animals you made earlier). I especially want to thank You for making (say each person's name with you at Summer Jam ). They are SO special. I know You love all of us with a super big love because You gave us Jesus to be our friend forever. WOW! Jesus is the best! We love You, God. In Jesus' name, amen."
