

We are so excited to welcome you all back to our campuses! We have missed seeing you, and worshipping alongside you! As we regather, we want to make you aware of some things we have in place for the health and safety of our kids, students, and families. Check it out.

What's new for Sun Valley Kids!

- **We will have touch-less check-in.** Please allow our Kids and Students Guest Services teams to enter your phone number for you and check your children or students into their respective environments.
- **Every child's temperature will be taken prior to being checked in.** For every family's health and safety, we will ask that any child with a temperature over 100.4 be cared for at home.
- **Every volunteer will wear a mask, and have their temperature checked prior to serving.** We will ask volunteers with a temperature over 100.4 to refrain from serving until they have been under that temperature for 48 hours without medication.
- We will have hand sanitizer available in all common areas, as well as in each classroom. Though proper hand-washing is preferable, we want to have this quick option available since hand-washing is not always possible.
- Clean toys will be available for each service for kids. In classrooms where toys are present, the toys used during a service will be put out of reach for subsequent services until they have been properly sanitized.
- Services will be shorter to allow for cleaning between services. This will give our team time to wipe down door handles, light switches, and hard surfaces with medical grade wipes between each service.
- Student chairs will be switched out between services. A new chair will be provided at the beginning of each student service. All chairs will be cleaned during the week.
- We are asking everyone, kindergarten and up, to wear a mask if possible. Again, we want to keep everyone as safe and healthy as possible.

What's new for SV Students at Sun Valley!

- **Jr. High** will be meeting on Sundays at 9:00 a.m. on all campuses, and Saturdays at 4:00 p.m. at the Gilbert campus only beginning the weekend of August 22/23
- **High School** will be meeting on Sundays at 10:30 a.m. on all campuses beginning August 23rd.
- **Jr. High small groups** will begin Sept. 23rd on all campuses, on Wednesday nights from 6:30 - 8:00 p.m. Registration will begin soon for Jr. High small groups!
- **High School small groups** will begin the week of Sept. 20th throughout the week depending on your campus options. Registration will begin soon for High School small groups!

We know that this has been a trying time for kids and students on multiple levels. Please let us know how we can be praying for your family. Please don't hesitate to reach out to your campus Kids or Student Director if there are any parenting resources we can connect you with.

Our goal is to provide the best possible experience for those who choose to regather on campuses, while still adhering to the health guidelines currently in place. We will also continue to provide an incredible on-line experience for those who are not yet ready to return to in person services. We have been praying for each of you throughout this crazy season, and we hope you know how very much you and your family are loved! We will see some of you very soon, and will continue to pray for all of you!
