HOPE | Week 6 “Give us our Daily Bread”

When we talk about “our daily bread,” we’re referring to not just our physical needs but also our emotional and most certainly our spiritual needs. Jesus alone is the bread that satisfies our greatest human needs including forgiveness with God and people, our human brokenness, and salvation. When we begin to lose hope, He sustains our hearts. When we ask God for our daily bread, we are humbly acknowledging Him as the sole giver of all we need. We are living one day at a time, one step at a time. When we ask God for “our daily bread,” we are exercising simple faith in Him to provide just what we need, when we need it for every area of life. The question is, can you trust God just for today? After all, today is all that exists.
